Financing Support YOTEL/YOTELPAD Carlisle Bay, Barbados (Coruscant Developments / YOTEL)

Dear Mr. President,

As Chief Executive Officer of YOTEL, I wish to express our strong support for the proposed YOTEL/YOTELPAD development at Carlisle Bay, being advanced by Coruscant Developments under the leadership of Mr. Kevyn Shorey. We view this as an exciting opportunity for Barbados and for YOTEL's planned entry into the Caribbean.

Project Overview:

- Prime site on Bay Street, positioned in the upper midscale lifestyle segment.
- Flexible stay model serving leisure, business, and extended-stay guests.
- Sponsorship by Coruscant Developments, with YOTEL as international brand and long-term operating partner under a management or franchise structure.

YOTEL's Role:
Subject to final agreements and valuation, YOTEL would anticipate contributing brand key money as part of a standard long-term agreement. This is a customary practice in our industry to align interests and support project delivery.

Engagement with Afreximbank:
We understand that Coruscant Developments is seeking development finance participation. YOTEL stands ready to:

- Provide brand, technical, and market information required for due diligence.
- Support the developer in meeting ESG and operational standards expected by leading DFIs.
- Participate in discussions with your team and the sponsors to help advance financing.

This project is intended to be the first of a pipeline of YOTEL-branded assets across the Caribbean, and we believe it represents an excellent opportunity to showcase sustainable tourism infrastructure in the region.

Yours sincerely,

Phil Andreopoulos
Chief Executive Officer, YOTEL
