Subject: YOTEL/YOTELPAD Carlisle Bay, Barbados – Expression of Support

Dear Mr. Forde,

As CEO of YOTEL, I am pleased to confirm our strong interest in the proposed YOTEL/YOTELPAD development at Carlisle Bay, being advanced by Coruscant Developments, under the leadership of Mr. Kevyn Shorey. We view this as a strategic opportunity for Barbados and for YOTEL's planned entry into the Caribbean.

YOTEL's view of the project highlights:

- Prime site on Bay Street, targeting upper midscale lifestyle positioning.
- Flexible stay model serving leisure, business, and extended-stay guests.
- Local sponsorship by Coruscant Developments, with YOTEL as brand partner under a long-term agreement.
- Operating structure designed to support local participation: while YOTEL is open to managing the property, our preference is for a franchise arrangement, enabling a locally owned and operated company to run the hotel under YOTEL's guidance and global brand standards.

YOTEL's Role:

Subject to final agreements and valuation, YOTEL is prepared to provide an appropriate amount of key money. The key money is intended to strengthen the project's capital structure and align interests between the owner, brand, and financing institutions. Subject to final agreements, design development, room count, and valuation, YOTEL would anticipate a brand key money contribution in the low single-digit millions of USD. The precise amount will be determined following completion of the final scheme and commercial terms.

I am available to meet with BHTA, Government stakeholders, and financing institutions to assist in advancing this landmark project.

Yours sincerely,

Phil Andreopoulos
Chief Executive Officer, YOTEL
